

# The power to learn — in the palm of your hand.

## The 3M™ Littmann® Learning Institute App

### Purchase a 3M™ Littmann® Stethoscope and get auscultation training — free.

Owning a Littmann stethoscope and using it every day is an investment in your education and your career. Now, owning one also gives you access to a unique educational tool to help you learn how to listen better. As part of 3M's commitment to education, we have developed a mobile app to help you improve your essential diagnostic and monitoring skills.

**The 3M™ Littmann® Learning Institute App from the 3M<sup>SM</sup> Health Care Academy** offers exclusive content that will help you use your Littmann stethoscope more effectively, and help improve your auscultation skills. The app is compatible with iOS and Android and gives you a wealth of information and skills practice.

Downloading the app gives you basic training content for free. To access the full training content at no additional charge, use the voucher you'll receive from your dealer when you buy a new Littmann stethoscope. Or, you can access the full content by purchasing the app for \$50 from the iTunes App Store or Google Play.

### Here's what you can do with the app:

DEVELOP DIAGNOSTIC SKILLS  
USING PATIENT SCENARIOS

TRACK YOUR PROGRESS

LISTEN TO REAL HEART  
AND LUNG SOUNDS

TEST YOUR KNOWLEDGE
