## Catalog MORA-Nova

		Icon	Scope of delivery
<b>Hardware accessories</b>			
	<b>Blue Mag S</b> ELE03023		UV-electrode with cable
	<b>Blue Mag F</b> ELE03032		Active UV-electrode fixable
	<b>Blue Mag L</b> ELE03033		UV-electrode (big) with cable
	<b>Physio double roller</b> ELE03024		Double roller with cable
	<b>Spinal electrode</b> ELE03027		Spinal electrode with adapter black, bipolar
	<b>Adapter Spinal electrode(black)</b> ADA01007		Adapter for the spinal electrode
	<b>Active electrode-set</b> ELE03030		Electrode-set acc. Dr. Cornelissen KG6-LG14

## Catalog MORA-Nova

		<b>Icon</b>	<b>Scope of delivery</b>
	<b>Tooth electrodes ELE03025</b>		Tooth electrodes set of 2
	<b>Acupressure electrode ELE03028</b>		Acupressure electrode/ Goldfinger
	<b>Ampoule scanner tip</b>		
	<b>Roller electrode ELE03029</b>		Roller electrode (single)
	<b>cable for accessories KAB06004</b>		electrode cable for accessories black/red plug, 2,5m (blue)
	<b>Self Adhesive 1 ELE02111</b>		Self Adhesive electrodes 5x5cm (PU10w/4 electrodes)
	<b>Self Adhesive 2 ELE02112</b>		Self Adhesive electrodes 5x13cm (PU10w/4 electrodes)
	<b>Self Adhesive 3 ELE02113</b>		Self Adhesive electrodes 8x13cm (PU10w/2 electrodes)

## Catalog MORA-Nova

		<b>Icon</b>	<b>Scope of delivery</b>
	flexible electrodes (red/black) ELE02016		flexible electrodes (red/black) 11x17cm (2 pcs.), MC
	cable for head electrode KAB06003		cable for head electrode connection, 2,5 m (yellow)
	Adapter adhesive electrodes ADA01008		Adapter for the adhesive electrodes
	Beaker standard BEC20001		Beaker electrode tube 75mm
	Beaker large BEC20002		Beaker electrode tube 120mm
	Lid for beaker BEC20200		
	Magnetic Lid for beaker BEC20201		

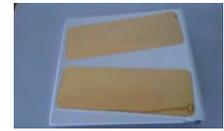

## Catalog MORA-Nova

		Icon	Scope of delivery
	Adapter-socket unipolar BEC20101		
	extern-beaker- socket, unipolar BEC20100		
	Adapter-socket bipolar BEC20103		
	extern-beaker- socket, bipolar BEC20102		
	adapter cable KAB06010		connection socket + electrode, grey/ black
	connection cable unipolar KAB06005		connection cable unipolar 20 cm, grey/grey
	connection cable bipolar KAB06007		connection cable bipolar 20 cm, white/white

## Catalog MORA-Nova

		Icon	Scope of delivery
	connection cable bipolar KAB06008		connection cable bipolar 50 cm, white/ white
	Panel Stick ZUB01023 ZUB01024		Panel stick for the touchscreen white black
	Tensor ZUB01025		
	cable for tensor KAB06009		connection tensor to yellow connector
	Stylus GRI01005		therapy and assesment stylus with low pressure electrode
	EAV Test prod MES01011		EAV test prod
	Ball Electrode MES01006		Ball electrode, 3mm, brass
	handelectrode ELE04010		handelectrode red

## Catalog MORA-Nova

		Icon	Scope of delivery
	handelectrode ELE04011		handelectrode black
	Y-cable for hand electrodes KAB06001		Y-cable for hand electrodes, 2,5 m, black
	Foot plates ELE05005		Foot plates, gold plated with console
	cable for foot electrode KAB06002		cable for foot electrode, 2,5 m, green
	spin tester ZUB02021		
	honeycomb ZUB01020		Honeycomb small
	swab dish ZUB50004		

## Catalog MORA-Nova

		<b>Icon</b>	<b>Scope of delivery</b>
	<b>Laboratory glass 100ml</b>		Laboratory glass, 100 ml
	<b>Glass vial, 2ml VER01001</b>		Glass vial, 2 ml (bag of 100 pcs)
	<b>Glass vial, 8ml VER01002</b>		Glass vial, 8 ml (bag of 50 pcs)
	<b>MEBE-Ampulle ZUB20008</b>		MEBE-Ampulle according Dr. Cornelissen
	<b>Trolley KOF20002</b>	temporary not available	Trolley for MORA®-Nova with accessories

## Catalog MORA-Nova

Complementary devices			
		Icon	Scope of delivery
	<b>Mol2Care Home25 GER00001</b>	for the plug	Neutralized radiation from electrical devices with transformers, switching power supplies WLAN, Blue-tooth, mobile phones and landline phones, TV,PCs... Neutralizing frequency 35Hz to approx.5,0GHz Operating range (distance) up to 25 m
temporary not available			
	<b>MORA®-Physio GER17001</b>		Muscle relaxation. Easy handling, simplifies conventional method of treatment. Variably applicable for supplemental and individual therapy. Quick results through easy testing of colours and amplification.
	<b>MORA®- PhysioBasic GER19001</b>		Loosen tension, pointed-easy-fast. For acute and chronic functional pain of the musculoskeletal system. Suitable for personal use due to easy handling. Electromagnetic therapy leads to success in just a few minutes.
	<b>MORA®-Color GER18001</b>		Paintherapy. Easy handling für acute and chronic functional pain of the musculoskeletal system. Variable applicable for supplemental and individual therapy. Additional nosode- and medication therapy. Quick results.
	<b>Powerlact+ LWN14002</b>		Lactate measuring - easy - accurazy - fast. The mobile hand-held measuring device with disposable sensors offers optimal ease of use at a reasonable price and low operating costs.
	<b>Lactware 5.0 Private LWN01001</b>		Performance analysis for controlled training. Lactware offers a simple, swift & overall approach for the scientific evaluation and documentation of performance diagnostic measuring data. For personal use.
