SIGMA MEDICAL

Dedicated to Health

/ VBM – Specialists in Airway Management

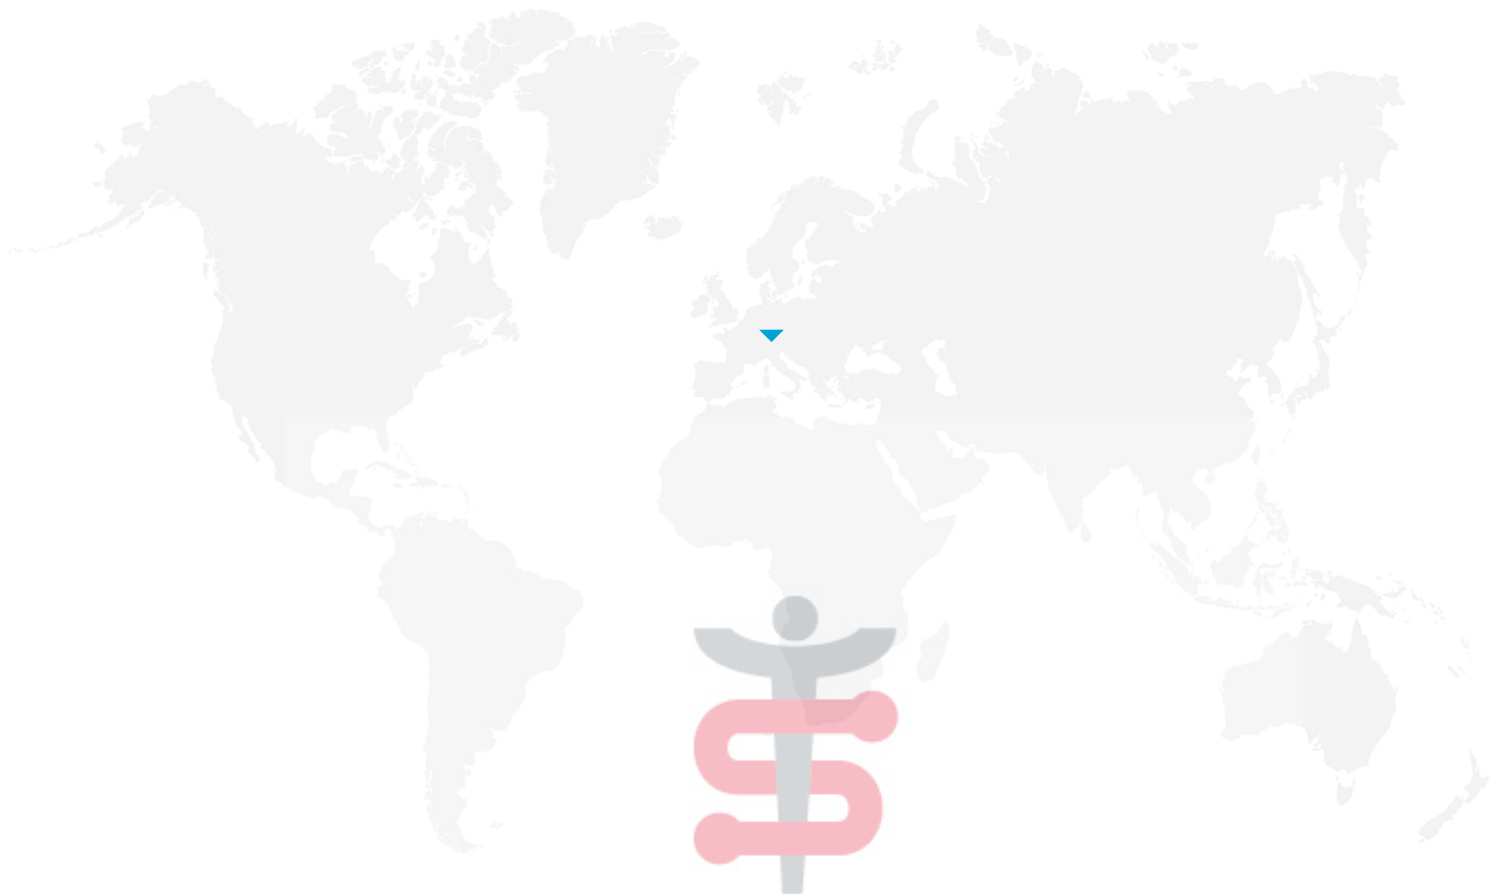

Dedicated to Health

VBM Medizintechnik GmbH is a family owned business operating worldwide. We develop and produce innovative products in the business areas Airway Management, Accessories for Anesthesia & Intensive Care and Tourniquet Systems.

Our company was founded 1981 by Volker Bertram and our headquarters are located in Sulz am Neckar, Germany. Around 190 employees are working in our departments like Research and Development, Production, Quality Management, Distribution, Service and Marketing.

Our excellent service can be measured in our longtime and personal cooperation with our customers. The close contact to our suppliers and users of our products is the basis of our claim to the continual improvement of our products and the development of new solutions for your tasks. We are aware of the responsibility towards patients and users alike and we focus on the high quality of our products in our everyday work.
